Policy 2.1.1.2	Policy On Resident Applicant Information	Revised:	
		Responsibility:	Associate Dean for Graduate Medical Education
<b>Policy On Resident Applicant Information</b>			
Policy	<p>The NRMP requires that applicants for residency positions through the NRMP who are interviewed must be given complete and accurate information regarding the policies and procedures governing their training programs. This must include:</p> <ul style="list-style-type: none"> <li>• a sample contract</li> <li>• all institutional policies regarding eligibility for appointment to a residency program.</li> </ul> <p>It is the policy of the UT Health Science Center at San Antonio GME Committee that, at a minimum, programs provide to interviewed applicants for residency positions through the NRMP a copy of the attached "Acknowledgement of GME Information Form for UT Health Science Center at San Antonio." The applicant must sign and return the bottom half of the form to the program, and the program director will be responsible for maintaining this documentation.</p> <p>If they wish, programs may share more information with the interviewees, including printed copies of the material listed above.</p>
