Chapter 4	General Personnel Policies	Effective:	November 2000
Section 4.8	Benefits	Revised:	December 2001
Policy 4.8.4	Social Security	Responsibility:	Vice President for Human Resources

SOCIAL SECURITY

Overview

University employees are covered under the Federal Old Age and Survivors Insurance (OASI) Program, commonly referred to as Social Security, and are required by law to participate. The monthly contribution rate is set by the United States Congress. Under federal law, individuals participating in Social Security must have a Social Security number. To acquire a Social Security number, an individual may complete the appropriate form, available at the local office of the Social Security Administration.
