

**POSITION:**            *Program Director - Respiratory Care*  
**Master of Science (MS) in Respiratory Care**  
**Bachelor of Science (BS) in Respiratory Care**

**ORGANIZATION:**    The University of Texas Health Science Center at San Antonio (aka UT Health)

**LOCATION:**            San Antonio, Texas

**An outstanding leader is sought to guide the further development of an outstanding educational program in respiratory care.** The Department of Health Sciences (DHS) in the School of Health Professions (SHP) offers both the BS and MS in respiratory care. Both programs are designed to prepare advanced level respiratory therapists for clinical practice, as well as for leadership positions in the field.

**The Position:** **The program director** will oversee the administrative operation of the programs and provide leadership for teaching, research, service and clinical activities. Student advisement, faculty development and ensuring programmatic accreditation are expected, along with developing and implementing the strategic vision, goals, and objectives for the programs.

**Qualifications:** **Applicants** must have at least a master's degree in an area appropriate to leading a respiratory care program; an earned doctorate in health sciences, education or a related area is preferred. Candidates must have at least four years of experience in the field, at least two of which must have been on the faculty of an accredited respiratory care educational program. Candidates must be eligible for licensure as a respiratory care practitioner in the State of Texas and have the registered respiratory therapist (RRT) credential from the National Board for Respiratory Care. Successful candidates will have a track record of achievement in education, as well as demonstrated leadership in research and scholarship as well as active participation in relevant professional associations.

**To apply:** Applicants should include a letter of interest, current curriculum vitae, and the names and contact information for three professional references. Submit applications through the UT Health Careers website (<https://uthscsa.taleo.net/careersection/ex/iobdetail.ftl?iob=17000073&tz=GMT-05%3A00>) or send materials to David C. Shelledy, PhD, RRT, FAARC, Dean, School of Health Professions, 7703 Floyd Curl Drive, MSC 6243, San Antonio, TX 78229-3900, 210-567-4838 [shelledy@uthscsa.edu](mailto:shelledy@uthscsa.edu).

Review of applications will begin immediately and will continue until the position is filled.
