

Timely Warning 15-0002

April 17, 2015

### **Deadly Conduct/Unlawful Carry of Weapon**

This warning is provided to inform and to educate the campus community of reported crimes that have happened on or near our campus and also to comply with the federal requirements of the Clery Act.

Due to the nature of this type of crime, I wanted to make our community aware that last night April 16, 2015, at approximately 1145 pm UTPD responded to a report of a fight at the Gold's Gym, on campus at Merton Minter.

On arrival both subjects had departed the area. In the course of the investigation it was determined that one of the subjects allegedly had a firearm during the altercation. Review of available video confirmed that. That suspect has been identified and investigative actions are ongoing

**Personal Safety Tips:**

Be aware of your surroundings.

Always lock your vehicle after entering or exiting your vehicle.

If practical immediately write down or memorize the description of the suspect and any other important information, such as; Hair color and style of hair, color of complexion, height, weight, and clothing description.

Never hesitate to contact the police department immediately by dialing 911, 210-567-2800, or 567-8911.

If you see something suspicious, remember that we are always available to our campus community 24 hours a day.

You are also encouraged to contact the Health Science Center Police Department and request an escort (Safety Walk) to your vehicle 24 hours a day.
