Attempted Sexual Assault

This alert is provided to inform and to educate the campus community of reported activity that has happened on our campus or in our Medical Center area.

On May 24, 2017, at 4:30 pm a female student walking home from the University was approached by a white male, driving a black BMW, asking for directions to a local business. The male is described as having short black hair and clean shaven. He reached his arm out of the vehicle and grabbed the female by her clothing to pull her closer towards him. The female was able to break away and noticed that male was exposing his genitals. This occurred in a surrounding residential area west of Babcock Road and Baywater Drive.

Personal Safety Tips:

Be aware of your surroundings.

Always lock your vehicle after entering or exiting your vehicle.

If practical immediately write down or memorize the description of the suspect and any other important information, such as; Hair color and style of hair, color of complexion, height, weight, and clothing description.

Never hesitate to contact the police department immediately by dialing 911, 210-567-2800, or 567-8911.

If you see something suspicious, remember that we are always available to our campus community 24 hours a day.

You are also encouraged to contact the Health Science Center Police Department and request an escort (Safety Walk) to your vehicle.
