- D. What are your long-term dental career plans?
- E. Please describe *in detail* what you have been doing since graduation from dental school. If currently in dental school, then you can skip this question.

I understand that applications are not regarded as "complete" until all supporting papers have been received; therefore, it is in my interest to see that these are submitted as promptly as possible. It is also my understanding that official transcripts sent directly from each school attended must be received as soon as possible and at the end of each successive semester or quarter for as long as my application is being considered. Official transcripts showing additional work after acceptance must also be supplied.

I affirm that, if I claimed to be a legal resident of Texas in this application, that I am a legal Texas resident and will, if required by the institution, provide substantiating evidence.

I certify that the information in the application is complete and correct to the best of my knowledge and belief and that submission of any false information is grounds for rejection of my application, withdrawal of any offer of acceptance, or dismissal after enrollment.

Signature of Applicant

Additional information required to complete your application file:
