Example of email received by 'guest'

The screenshot shows an email from Anna Dorrycott (dorrycott@uthscsa.edu) to a recipient. The email content includes an invitation to a meeting titled "ATS-005 Testing Course Confer". It provides a URL to join the meeting: https://connect.rna1.blindsidenetworks.com/invite/to7c-dlapPhwUvtNaW8CDZcHIND1gyjDW1uETtTGCN6P1v8&m-instructure_web_conference_j9WPR3kdTpbIMbDV9uZdkaA45k9ZsIF5t-1584458439980&u-uthscsa. Below the URL, there is a code block containing the same URL with an ampersand and the user ID, followed by the text ">Join this meeting".

Select guest lecturer, click on Make Presenter

The screenshot displays a meeting interface with a list of users under the heading "USERS (2)". Two users are listed: "Anna Dorrycott (You)" and "Anna Dorrycott". A context menu is open over the second user, showing several options: "Start a private chat", "Make presenter" (highlighted in yellow), "Demote to viewer", and "Remove user". To the right of the user list, there is a "videos." section with the text "To join this meeting dial:" followed by a phone number "1 800 308 0000".

Don't forget to start the Recording

The screenshot shows a dark blue button with a white circular icon containing a play symbol and the text "Start recording". To the right of the button is a vertical ellipsis menu icon.
