

Occupational Therapy Kinesiology Equivalency Chart 2021-2022

The Texas A&M University System			
Central Texas EHPH 3303 Anatomical Kinesiology	College Station KIN 307 Lifespan Motor Development KIN 406 Motor Learning & Skill Performance KIN 426 Exercise Biomechanics KIN 434 Advanced Exercise Physiology	Commerce HHPK 304 Motor Development HHPK 350 Motor Learning & Motor Control HHPK 450 Exercise Physiology	Corpus Christi KINE 3338 Motor Development/Motor Learning KINE 4327 Biomechanics
International KINE 2316 Motor Development & Learning KINE 4300 Biomechanics KINE 4306 Motor Control & Learning KINE 5301 Adv Exercise Physiology	Kingsville EDKN 3320 Motor Development/Motor Learning EDKN 4325 Biomechanics	Prairie View KINE 3653 Motor Learning & Control	San Antonio EDKN 3320 Motor Development & Motor Learning EDKN 4320 Motor Development & Motor Learning EDKN 4325 Biomechanics EDKN 4417 Advanced Physiology of Exercise
Tarleton State KINE 4390 Biomechanics KINE 5340 Motor Learning	Texarkana KINE 331 Motor Development KINE 432 Kinesiology & Biomechanics	West Texas SES 3321 Motor Development SES 4302 Motor Learning & Skill Acquisition SES 4341 Sport Biomechanics SES 4442 Advanced Exercise Physiology	
The University of Texas System			
Arlington KINE 3306 Motor Integration KINE 3388 Theory & Application in Motor Development KINE 3401 Biomechanics of Human Movement KINE 4323 Motor Control & Learning KINE 5365 Advanced Motor Development	Austin KIN 315 Motor Learning KIN 320 Applied Biomechanics of Human Movement KIN 321M Motor Development & Performance KIN 326K Biomechanical Analysis of Movement KIN 335C Motor Learning KIN 338 Motor Development & Assessment	Dallas No equivalent course	El Paso KIN 2332 Motor Learning & Control KIN 3333 Motor Development KIN 4313 Biomechanics
Permian Basin KINE 3310 Motor Development KINE 4330 Motor Learning & Control	Rio Grande Valley KINE 3356 Motor Development KINE 3370 Biomechanics KINE 4356 Motor Development KINE 4375 Motor Learning KINE 6325 Adv Exercise Phys	San Antonio KIN 3103 Motor Development KIN 3323 Biomechanics KIN 4233 Advanced Exercise Physiology KIN 4403 Motor Learning	Tyler KINE 3303 Motor Development KINE 3331 Human Motor Control & Learning KINE 3334 Biomechanics & Anatomical Kinesiology KINE 5305 Motor Development KINE 5307 Motor Learning KINE 5335 Biomechanics
The University of Houston System			
Main KIN 3309 Biomechanics KIN 4315 Motor Learning & Control	Clear Lake HLTH 3317 Motor Development & Learning HLTH 4302 Biomechanics	Downtown No equivalent course	Victoria KINE 2311 Motor Learning & Development KINE 3311 Biomechanics of Sport & Exercise
Other Texas Institutions			
Baylor University HP 2307 Biomechanics HP 4368 Motor Learning & Development	Our Lady of the Lake University KINE 3365 Motor Development	St. Mary's University EX 3304 Biomechanics of Human Movement	Texas State University ESS 2320 Motor Development ESS 3320 Biomechanics ESS 3329 Motor Learning
Texas Tech University KIN 3303 Motor Learning KIN 3314 Life Span Motor Development KIN 4301 Introduction to Biomechanics KIN 5302 Motor Control KIN 5305 Motor Learning KIN 5307 Motor Development KIN 7301 Advanced Exercise Physiology I	Texas Woman's University KINS 3593 Biomechanics of Human Body & Motion KINS 4573 Motor Learning & Development KINS 4603 Advanced Exercise Physiology	University of North Texas KINE 3050 Biomechanics KINE 3090 Motor Behavior KINE 3500 Motor Development	University of the Incarnate Word PEHP 3301 Motor & Fitness Development for Children PEHP 3302 Motor & Fitness Development for Pre-Adole. PEHP 3305 Motor Development, Fitness, & Health PEHP 3312 Motor & Fitness Development for Adolescen. PEHP 4301 Principles of Human Movement
