

SEMINAR SERIES FY 20

OCTOBER 2019

UT Health

San Antonio

Biochemistry &
Structural Biology

Location: LSOM 409L

**Date & Time: Held each Friday
from noon to 1pm**

***** Please visit BSB website
for our upcoming seminar
schedule**

Light refreshments available

Visiting Professors

- Friday, Oct. 4, 2019, **No Seminar**
- Friday, Oct. 11, 2019, “Dynamics of DNA recognition by proteins”, **Dr. Junji Iwahara**, Professor, Department of Biochemistry and Molecular Biology, Sealy Center for Structural Biology & Molecular Biophysics @ University of Texas Medical Branch
- Friday, Oct. 18, 2019, **No Seminar**
- Friday, Oct. 25, 2019, “Exploration of the mechanisms by which *TET2* mutations leads to hematological malignancies”, **Mingjiang Xu**, MD, PhD, Professor, Department of Molecular Medicine @ UT Health San Antonio
