

INFECTIOUS DISEASE CONTROL CONTAMINATED SHARPS INJURY REPORTING FORM

The facility where the injury occurred should complete the form and submit it to the local health authority where the facility is located. If no local health authority is appointed for this jurisdiction, submit to the regional director of the Texas Department of State Health Services (DSHS) regional office in which the facility is located. Address information for regional directors can be obtained on the DSHS webpage at http://www.dshs.state.tx.us/regions/default.shtm. The local health authority, acting as an agent for the Texas Department of State Health Services will receive and review the report for completeness, and submit the report to: IDEAS, Texas DSHS, 1100 West 49th Street, T-801, Austin, Texas 78756-3199. Obtain copies at http://www.dshs.state.tx.us/idcu/health/infection_control/bloodborne_pathogens/reporting or from Texas Department of State Health Services via the Health Services and submit the report to: IDEAS, Texas DSHS, 1100 West 49th Street, T-801, Austin, Texas 78756-3199. Obtain copies at http://www.dshs.state.tx.us/idcu/health/infection_control/bloodborne_pathogens/reporting or from Texas Department of State Health Services regional offices.

Please complete a form for each exposure incident involving a sharp.

NOTE: If the injury occurred BEFORE the sharp was used for its original intended purpose, *do not* submit this form
