

Dear _____:
(Student's name)

I am writing on behalf of the University of Texas Health Science Center at San Antonio (UTHSCSA) to ask your written permission to distribute the following digital work(s) online:

Title of Dissertation/Thesis:

Once the work has been digitized, it will be placed in the UTHSCSA Library's Repository (<http://learningobjects.library.uthscsa.edu/>) to share with others for educational and research purposes only. Full acknowledgement will be given to the rights holder for a given work when the digital reproduction is accessed.

Please select one of the following to indicate with whom you want to share your work(s):

General public UTHSCSA faculty, staff and students only

The copyright holder(s) retain(s) all rights to the work(s) that are distributed online but if you would like a particular rights statement to be retained in the description of the work(s), please provide that statement here:

If you do not provide a rights statement, we will use the following:

"The digital reproductions on this site, held by the Library at the University of Texas Health Science Center at San Antonio (UTHSCSA), including its satellite libraries are provided to the students, faculty and staff of the UTHSCSA and others who visit this site for research, teaching and learning only. Further distribution and/or any commercial use of the works from this site is strictly forbidden without the permission of the copyright holder."

We specifically request permission for the use of your copyrighted work(s) to:

1. Make extra copies of your works for preservation and backup purposes.
2. Display your work on the Web. (We will make your work available to the general public or restrict it to UTHSCSA faculty, staff and students only as you indicated to us.)
3. Distribute single copies of the work for educational and research purposes. If someone cannot use the online version of your work for some reason, we want to be able to print it out for them or provide it to them in a way that they can use. (Example: A person with mobility issues may not be able to use the online copy and want our staff to print it.)

4. Index or encode the work(s) so that they can be retrieved by a search engine. When we put your work into the repository, we will provide a description of the work so that the software we use and web search engines such as Google can index it and people can easily find it. (Note: If you have asked us to restrict your work to UTHSCSA only, it will not be available to web search engines.)
5. Use all or portions of the digital reproductions of the work(s) for website design related to the work(s). (When we put your work in the repository, we may want to display thumbnail images of the work or highlight it in some way within our web site.)

By signing, you are indicating that you have the authority to grant the rights contained in this agreement. You also represent that your contribution does not, to the best of your knowledge, infringe upon anyone's copyright. If the contribution contains material for which you do not hold copyright, you represent that you have obtained the unrestricted permission of the copyright owner to grant the Library the rights in this agreement and that such third party owned material is clearly identified and acknowledged within the text or content of the contribution.

We greatly appreciate your contribution. Please fill in the information below, sign, and deliver to the Graduate Dean's Office or fax to 210-567-3719.

Sincerely,

Luke Rosenberger, MLIS
Director of Knowledge Management

I grant permission for the work(s) referenced in this letter to be used in the manner described. I am the sole owner/creator of the work or I have the authority to grant the permission requested herein.
