

# HOW CAN YOU BE COVERED FOR COVID-19?

Updated May 2, 2020

## 1 PRIVATE OR EMPLOYER INSURANCE

Most private insurances will **not require** prior authorization and **cover all services** provided during an **in-network** medical visit that results in COVID-19 **testing**

Telehealth (virtual medicine) service visit fees are **waived**

Most private insurances are **allowing** pharmacies to fill **90-day supply** of any prescription drugs, no matter when the prescription was filled

Includes the following insurance companies:

- Aetna (CVS)
- Blue Cross and Blue Shield of Texas
- Cigna Health of Texas, Inc.
- Humana Health Plan of Texas, Inc.
- Superior Health Plan (Centene)
- United Healthcare Insurance Company
- And more!

Texas Department of Insurance

## 2 TEXAS MEDICAID/CHIP

Medicaid/CHIP holders will not be charged for **testing** for doctor prescribed COVID-19

There will be **no** office visit copayments due for **CHIP** members from March 13, 2020 to May 31, 2020 (This time frame may change).

Telehealth (virtual medicine) service visit fees are **waived**

Don't have Medicaid/CHIP? See if you qualify!

- **Apply online at [hhs.texas.gov](https://hhs.texas.gov)**

Texas Health and Human Services

## Are you insured by...

## 3 MEDICARE

Medicare Part B will **cover all fees** associated with COVID-19 **testing** when ordered by a physician—including an **in-person** or **telehealth** visit to a doctor's office

Medicare Part A and B **covers** all medically necessary treatment and hospitalizations as a result of COVID-19

**Special enrollment period** is currently available for individuals 65+ to enroll in Medicare if you lost your job and have not signed up for Medicare yet

Medicare Advantage and Part D will start **covering out-of-network** facilities at a costs similar to in-network

KFF Medicare

## 4 UNINSURED

If you **do not** have insurance, **free** testing for COVID-19 may be available
