* Are you interested in the option of receiving Continuing Education Unit (CEU) credit for completed CITI Program courses?

CITI is pleased to offer CE credits and units for purchase to learners qualifying for CE eligibility while concurrently meeting their institutions training requirements.

CE credits/units for physicians, psychologists, nurses, social workers and other professions allowed to use AMA PRA Category 1 credits for re-certification are available for many CITI courses - with that availability indicated on course and module listings. Please register your interest for CE credits below by checking the "YES" or "NO" dots, and, when applicable, types of credits you wish to earn at bottom of page. Please read texts entered for each option carefully.

Yes

At the start of your course, you will be prompted to click on a "CE Information" page link located at the top of your grade book and to VIEW and ACKNOWLEDGE accreditation and credit designation statements, learning objectives, faculty disclosures, types, number and costs of credits available for your course.

Yes

No

The CE functionality will not be activated for your course. Credits and units will therefore not be available to you for purchase after you start your course. You can change your preference to "YES" before such time however by clicking on the "CE Credit Status" tab located at the top of your grade book page.

No

If you picked "YES", please check below the one type of credit you would like to earn

- MDs, DOs, PAs - AMA PRA Category 1 Credits TM
- Psychologists - APA Credits
- Nurses - ANCC CNE
- Other Participants - Certificates of Participation
- Social Workers - Florida Board of Clinical Social Work, Marriage & Family Therapy and Mental Health Counseling

* Can CITI Program contact you at a later date regarding participation in research surveys? 

- Yes
- No
- Not sure. Ask me later

* Can CITI Program contact you at a later date with marketing information? 

- Yes
- No

[Continue To Step 6](#)

Once you have completed all steps through 7, instructions will prompt you to register for the course(s) you need to take.

Question 1

Do you conduct research with humans or animals?

This question is required. Choose all that apply.

- Humans
 Animals

Question 2

Exempt Research

Non-VA PBRN researchers [should visit this page](#) for more information about training requirements **Do you conduct only Exempt/Practice Based Research and your work does not include VA research?** Answer this question if you conduct only Exempt Research, OR you are a community practitioner conducting research as part of the Practice Based Research Network (PBRN):

This question is required. Choose one answer.

- No
 Yes, and I have never completed the Practice Based (The Practice Based Research Basic Course will be added to your curriculum.)

Question 3

Social and Behavioral Research

Do you conduct Social and Behavioral (S&B) Human Subjects Research? (This course satisfies Human Subjects training requirements for UTHSCSA/VA employees.) Social and Behavioral research may refer either to studies of the issues/behavior of individuals, groups, organizations, OR societies. Examples of this type of research can include evaluating and improving treatment strategies that target reductions in risks to individual or small groups and/or evaluating mental health or social problems of communities.

This question is required. Choose one answer.

- I do not conduct S&B Human Subjects Research.
 I conduct S&B Human Subjects Research and have never completed the S&B Research Basic course. (The Social and Behavioral Basic course will be added to your curriculum.)

Question 4

Biomedical Research

Do you conduct Biomedical Research in Human Subjects? (This course satisfies Human Subjects Training requirements for UTHSCSA/VA employees) Biomedical research is the investigation of biological processes and the causes of disease. These studies are designed primarily to increase the scientific base of information about normal or abnormal physiology and development. This type of research also includes studies primarily intended to evaluate the safety, effectiveness, or usefulness of a medical product, procedure, or intervention.

This question is required. Choose one answer.

- I do not conduct Biomedical Research in Human Subjects.
 I have never completed the Biomedical Research Basic course. (The Biomedical Research Basic course will be added to your curriculum.)

Question One: Choose humans.

Question Two: Practice Based Research is for **exempt** studies. Select this exclusively* if this applies to the research in which you will participate.

*exclusively in this context means questions three and four will be answered no

Question Three: Select Social and Behavioral Research exclusively* if this applies to the research in which you will participate.

*exclusively in this context means questions two and four will be answered no

Question Four: Select Biomedical Research exclusively* if this applies to the research in which you will participate.

*exclusively in this context means questions two and three will be answered no

Question 5

Community-Engaged Research

This question is required. Choose one answer.

- I do not conduct Community-Engaged (or Community Based) Research with Human Subjects.
- I have never completed the Community-Engaged Research course. (The Community-Engaged Research Basic course will be added to your curriculum.)

Question 6

Good Clinical Practices (GCP)

Do you conduct research that involves a drug, device, biologic?

This question is required. Choose one answer.

- I do not conduct research that involves the use of drugs, devices, or biologics.
- I conduct research that involves drugs, devices, or biologics. (The GCP for Clinical Trials with Investigational Drugs and Biologics (ICH Focus) Course will be added to your curriculum).
- GCP – Social and Behavioral Research Best Practices for Clinical Research

Question Five: Select Community Engaged Research if this applies to the research in which you will participate.

Question Six: Select Good Clinical Practice if you will conduct research on an NIH funded study.

Questions 7-16 will not apply unless requested for a specific study. To successfully register exclusively to Practice Based, Social and Behavioral, **or** Biomedical Research Training, 7-16 can be answered as followed:

- 7. No
- 8. No
- 9. No (unless you are an IRB member)
- 10. No
- 11. No
- 12. No (Conflict of interest needs to be completed through Knowledge Center for all employees)
- 13. No
- 14. No
- 15. N/A , not a required field
- 16. Not at this time

If you have any questions on creating a CITI program account or registering for a course, please contact the Office of Clinical Research at OCRMail@uthscsa.edu or (210) 567-8555.
