

MEMORANDUM

TO: Faculty engaged in research supported by pharmaceutical or device firms and other for-profit entities

FROM: Kimberly Summers, PharmD
Director of Research Protection Programs

RE: IACUC Review Fees

Research supported by pharmaceutical or device firms and other for-profit entities conducted by UTHSCSA faculty and staff will be charged at the following rates:

Research Reviewed by the UTHSCSA IACUC

- Initial review fee \$2,000
- Review fee \$500 for all re-approvals

Research reviewed by an approved outside IACUC

- Initial review fee \$1,500
- Review fee \$500 for all re-approvals

For research in which the UTHSCSA investigator shares the intellectual property with the for-profit company, contact the Director of Research Protection Programs for associated fees.

Studies supported by for-profit entities will be billed/ collected by the UTHSCSA Clinical Trials Office (CTO); researchers need to account for the applicable review fees in their proposed budgets.
