

Timely Warning 15-10

7/29/2015

Indecent Exposure

This warning is provided to inform and to educate the campus community of reported crimes that have happened on our campus.

Due to the nature of this type of crime, I wanted to make our community aware that at 7:40 PM, on 7/29/2015, an unidentified male was hiding by the tress on the walking trail between Entry Control Station 2 and Parking Lot 2. The subject exposed himself to a female using the trail. The suspect was described as a tall white male wearing a blue button-downed shirt and short pants with a square pattern. The subject walked away toward the Louis Pasteur and Floyd Curl intersection and was not seen again. Officers conducted a search of the area but were unable to locate the suspect. I

Personal Safety Tips:

Be aware of your surroundings.

Always lock your vehicle after entering or exiting your vehicle.

If practical immediately write down or memorize the description of the suspect and any other important information, such as; Hair color and style of hair, color of complexion, height, weight, and clothing description.

Never hesitate to contact the police department immediately by dialing 911, 210-567-2800, or 567-8911.

If you see something suspicious, remember that we are always available to our campus community 24 hours a day.

You are also encouraged to contact the Health Science Center Police Department and request an escort (Safety Walk) to your vehicle 24 hours a day.

Michael Parks

Chief of Police
